ELECTRICAL SOLUTION.

## Ashley 202™ Series

STU  
DIO

BY DEKKO

# Minimalist Detailing

## POWER & DATA FLEXIBILITY

The Ashley 202™ Series meets demanding power and data needs with flair and flexibility. The 202 features two AC outlets for high-power devices and two data inserts that include your choice of HDMI, RJ45, VGA, or blank insert.

The Ashley 202™, 202 Under and 202 Bezel all integrate AC outlets and data ports within a single-piece cover, resulting in fewer edge lines and a clean aesthetic. The Ashley 202™ Series give you the freedom to position the power unit where it's most accessible and looks best, whether it's embedded in a piece of furniture, on a vertical or horizontal surface, or discreetly mounted underneath.

The Ashley 202™ is offered in a clamp-on, under, and bezel mounting option and is UL 962A and 111 Listed.

**FEATURES:**
